

GRAIN LEADERSHIP TRAINEE

This immersive program offers hands-on experience in operations, logistics, merchandising and origination, inventory management, risk management, safety, and leading others effectively. Through rotations and training, you'll develop the skills to lead regional teams and drive grain origination, trading, and sustainability efforts.

You Will Learn:

- **Leadership & Management** – Learn how to lead people and run day-to-day operations.
- **Business & Finance** – Analyze income statements and see how business decisions impact profits.
- **Operations** – Oversee staffing, scheduling, shipping, and storage.
- **Sales & Customer Relationships** – Work with farmers and customers, negotiate contracts, and grow business opportunities.
- **Market Insights** – Research trends to help shape local business strategies.
